MouseAssistant
elecomus.com/web/mouse-assistant/

Download "ELECOM Mouse Assistant" from the ELECOM website to use its button assignment and high-speed scrolling functions.
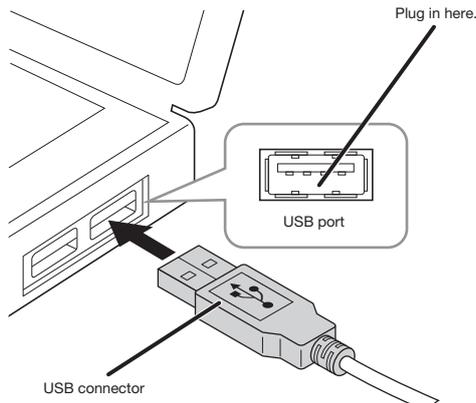

Name and function of each part

1 Left button

2 Right button

3 Wheel

4 "Back" button
You can perform the "Back" operation in a web browser.

5 "Forward" button
You can perform the "Forward" operation in a web browser.

6 USB connector (male)

7 Optical sensor

Connecting to a PC

Plug in here.

USB port

USB connector

1 Start the PC.

Start the PC, and then wait for it to be ready before you start using it.

2 Insert the USB connector of the product into a USB port on the PC.

Any USB port may be used.

- Be sure to sufficiently check the connector orientation and the insertion location.
- If you feel a strong resistance when inserting the USB connector, check that the shape and orientation of the connector is correct. Using excessive force may damage the connector and cause injury.
- Do not directly touch the terminal area of the USB connector.

3 The driver will be automatically installed, and you will then be able to use the mouse.

Cable length	4.9ft
Operating temperature/humidity	41°F to 104°F/90%RH or less (without condensation)
Storage temperature/humidity	14°F to 140°F/90%RH or less (without condensation)

Safety Precautions

English (EN)

⊘ Prohibited action

❗ Mandatory action

❗ Situation that needs attention

⚠ WARNING

❗ If a foreign object (water, metal chip, etc.) enters the product, immediately stop using the product, remove the product from the PC. If you continue to use the product under these conditions, it may cause a fire or electric shock.

❗ If the product is behaving abnormally, such as by generating heat, smoke, or a strange smell, immediately stop using the product, shut down the PC, and then sufficiently check whether the product is generating heat while being careful to avoid being burned. Then, remove the product from the PC . After that, contact the retailer from whom you purchased the product. Continuing to use the product under these conditions may cause a fire or electric shock.

⊘ Do not drop the product or otherwise subject it to impacts.
If this product is damaged, immediately stop using it, remove the product from the PC. After that, contact the retailer from whom you purchased the product. Continuing to use the product while it is damaged may cause a fire or electric shock.

⊘ Do not attempt to disassemble, modify or repair this product by yourself, as this may cause a fire, electric shock or product damage.

⊘ Do not put this product in fire, as the product may burst, resulting in a fire or injury.

⊘ Do not insert or remove the connector with wet hands. Also, do not make alternations to or forcefully bend the connector.
Doing so may cause a fire or electric shock.

⚠ CAUTION

⊘ Do not place this product in any of the following environments:
- In a car exposed to sunlight, a place exposed to direct sunlight, or a place that becomes hot (around a heater, etc.)
- In a moist place or a place where condensation may occur
- In an uneven place or a place exposed to vibration
- In a place where a magnetic field is generated (near a magnet, etc.)
- In a dusty place

❗ This product does not have a waterproof structure. Use and store this product in a place where the product body will not be splashed with water or other liquid.
Rain, water mist, juice, coffee, steam or sweat may also cause product damage.

❗ Avoid looking directly at the light of the optical sensor as doing so may cause eye damage.

❗ Only use this product with PCs and video game systems.

❗ Do not use this product with any device that may significantly be affected in the case of this product malfunctioning.

❗ If this product is not going to be used for one month or longer, remove it from the PC.

❗ If this product is used on a transparent surface such as glass or a highly reflective surface such as a mirror, the optical sensor will not function correctly and the product's cursor movement will become unstable.

❗ When you no longer need to use this product and the battery, be sure to dispose of them in accordance with the local ordinances and laws of your area.

■ Cleaning the Product

If the product body becomes dirty, wipe it with a soft, dry cloth.

❗ Use of a volatile liquid (paint thinner, benzene, alcohol, etc.) may affect the material quality and color of the product.

Limitation of Liability

- In no event will ELECOM Co., Ltd be liable for any lost profits or special, consequential, indirect, punitive damages arising out of the use of this product.
- ELECOM Co., Ltd will have no liability for any loss of data, damages, or any other problems that may occur to any devices connected to this product.

FC This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditios: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
In order to make improvements to this product, the design and specifications are subject to change without prior notice.
